In The Beginning...

*of our high school days,
we never realized how
many memories we'd want
to relive through each
passing year. Hopefully
by paging through this
Rocket, we can.*

In, 1918, Mayville High School published its first yearbook called the "Optimist". A few years later the students voted to change the name to "Rocket" because they thought this title suggested out-going ideas. Rocket implied expanding and reaching out to other worlds. Several attempts have been made to change the name, but students and alumni have insisted on keeping it. Though the style of the Rocket has changed much, its contents still reflect the activities and interests of each student attending Mayville High School. We hope that future Rockets will continue the tradition that began in 1918 and keep alive the ideas and activities that are so meaningful to us.

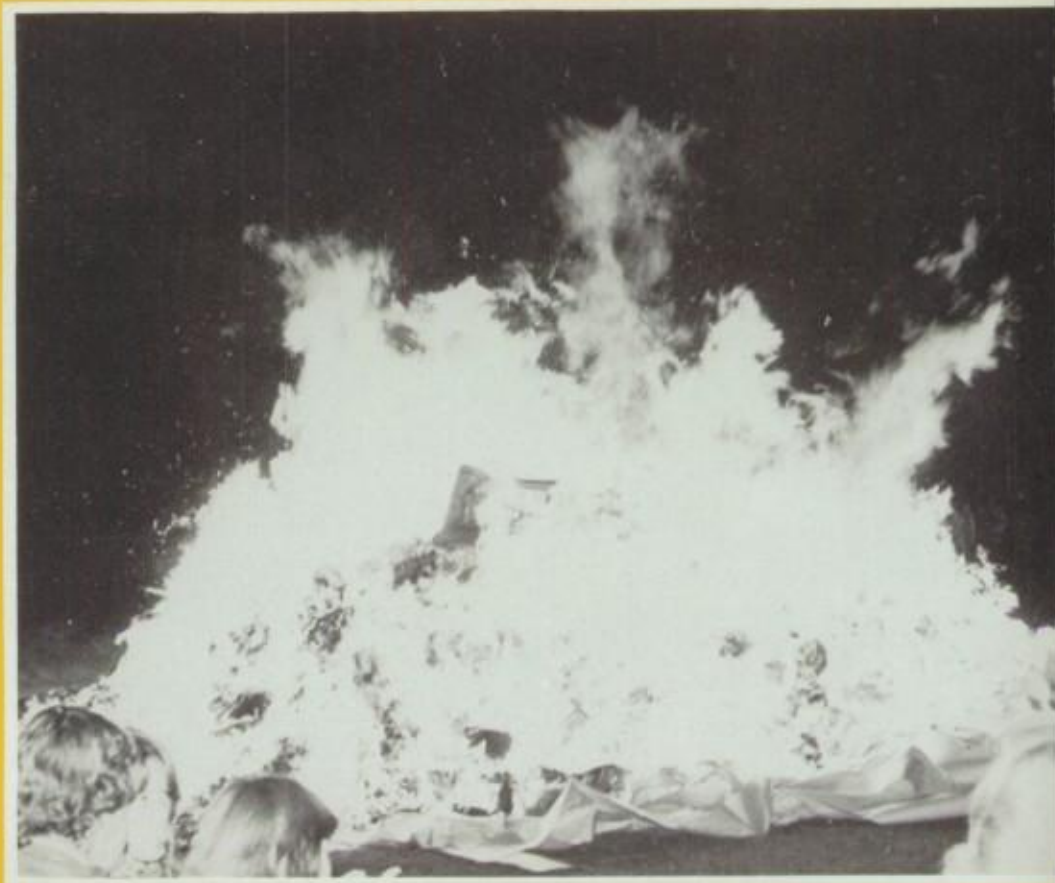

THE BEGINNING OF A DECADE

Everything had a start.
Nature has its beginnings.
We had ours at MHS and
our year will mark the
beginning of a new time.

HOMECOMING 79

This year the Mayville Marching Cardinals lead off the '79 Homecoming Parade. The Juniors won 1st place for their float and the Spirit Award for general participation in all the weeks activities. The Seniors won the Window Decorating Contest.

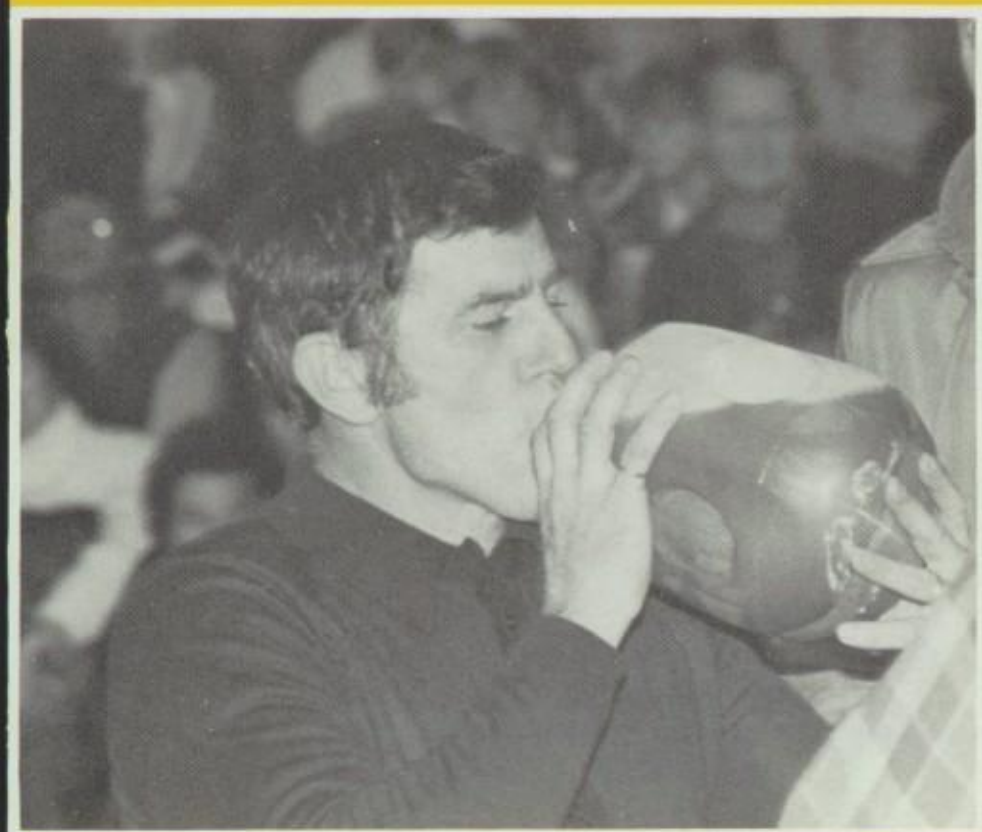

The Fighting Cards played a brilliant defense, holding #1 rated Germantown to one touchdown.

After a four year hiatus, the Powderpuff game was reinstated. This year the sophomores destroyed the freshmen and the juniors crumbled under the seniors. Adding humor to the reversal of traditional roles, the boys donned cheerleading uniforms and rooted for their favorite teams.

HOMECOMING '79

WE'VE GOT

We've Got Tonight
Who Needs tomorrow
We've Got Tonight, Babe
Why Don't You Stay

On the night of April 28, 1979, the Junior class presented their prom, We've Got Tonight. Members of the court were Jody Stellmacher, Lloyd Zimmel, Laurie Zimmel, Mike Bauer, Debra Fischer, Stuart Strook, Lori Schwartzmiller, Tom Ziegler, Queen Lori Eckerstorfer, King Lockwood Wurtz, Barb Schroeder, Douglas Bartelt, Susan Nitschke, Richard Pluedemann, Mary Jo Schinderle, and Tim Omer. High Risk played as the couples danced around the fountain set in the middle of the Mayville High School gym. Post prom was held at the Mayville Golf Club with country/rock music provided by Straight From the Hip. The prom was a success thanks to the hard work and dedication of the Junior class.

DEDICATED TO OUR BEGINNINGS

We, the Seniors of Mayville High School would like to dedicate this Rocket to beginnings. God created man and nature many centuries ago. Animals must follow instinct. Man alone has the capacity for determining his own destiny. We are at a time in life where we have been made aware of our potentials. We know where we fit into the balance of nature as we approach a new period of growth. **We are beginning.-**

TO THE UNDERCLASSMEN:

The senior class has been together for a long time. We've gotten to know each other and have become good friends. We want you to remember the good times you've had during your high school year. These are "unreturning" times, so make them the best you can.

Who was prom king, Homecoming king, a sports star, and a really nice guy to know? Your're right, it's Lucky Wurtz.

GRADUATION: June 1, 1980
CLASS COLORS: Light and dark blue

WE ARE GREAT, AND NOT JUST MAYBE,
BECAUSE WE'RE THE CLASS OF 1980.

Name the DAR Award Recipient
Annette Kelroy was chosen for the
DAR Good Citizen Award. This
award is given in recognition of a
student's dependability, service, pa-
triotism and leadership.

In March of 1979, members of the class of '79 and '80 traveled to Washington, D.C. They toured the city and parts of Virginia and Maryland.

IN THE NEWS

This year the Mayville high school girls convinced the faculty to reinstate the Powder Puff football game as one of the many activities of Homecoming Week. In the above picture the freshmen girls are battling the sophomore girls in flag football. Playing in the rain and mud, the seniors defeated the juniors, and the sophomores beat the freshmen. In spite of the adverse playing conditions, all the girls agreed to having enjoyed the experience.

This year the Computer Science class has a phone line hookup with CESA #16 in Waukesha. Using the current rapidly rising and fluctuating gold market as a base, a student wrote an investment program which predicted the cost of investments and the potential profit over a ten-year period.

IN THE NEWS

After being closed for several months due to vandalism and smoking, the downstairs girls bathroom is open for business again.

"For, lo! the winter is past,
the rain is over and gone;
the flowers appear on the earth;
the time of the singing of birds is come,
and the voice of the turtle is heard in our land."
THE SONG OF SOLOMON

"In the spring a livelier iris
changes on the burnished
dove; In the spring a young
man's fancy lightly turns to
thoughts of love."
Tennyson-Locksley Hall

With the price of gasoline at \$1.15 a gallon and rising, the cost of transporting students is becoming a serious problem. Approximately 925 students ride buses to school every day. Added to this is the cost of extra-curricular and field trips. Some sacrifices in programs will have to be considered in the near future.

COOL CHANGE

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
There's lots of those friendly people
They're showing me ways to go
But I never want to lose their inspiration

Time for a cool change
I know that it's time for a cool change
And now that my life is so pre-arranged
I know that it's time for a cool change

Well, I was born in the sign o' water
And it's there that I feel my best
The albatross and the whales, they are my brothers
And it's kind of a special feeling
When you're out on the sea alone
Staring at the full moon like a lover

I've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the air

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright water
It's kind of a special feeling
Out on the sea alone
Staring at the full moon like a lover
